PRODUCTS :	Unleaded Gasoline	#2 Heating Oil
	Unleaded W/Ethanol	Premium Diesel HS
	#2 Diesel HS	Premium Diesel LS
	#2 Diesel LS	Soy Diesel HS
	Soy Diesel LS	

PURPOSE OF CONTRACT : To guarantee the patron a fixed price per gallon on a specific quantity of product, delivered to the customer during a specific period of time.

PROGRAM : RIVERLAND FS, Inc. will offer to forward contract the above stated fuels to our customers, subject to the following terms.

- 1) Contract is firm
- 2) Buyer must specify the quantity he wishes to contract and the period in which he will be taking delivery.
- 3) The customers price will be the RIVERLAND FS contract price for the contracted product for the day the contract is written.
- 4) The contract will have any applicable volume discounts deducted at the time the contract is written.
- 5) Cash discounts will not be deducted at the time the contract is written. This discount must be earned by the customer, by paying for the invoiced product by the discount date.
- 6) If the customer should not accept the total gallons of contracted product by the final delivery date, as specified in the agreement, the customer may pre-pay for the remaining gallons, to be delivered when he is able to hold them or he may buy out the remainder of the contract. The buy-out cost per gallon is determined by calculating the difference in price between the contracted price and the market value of the contracted fuel from the RIVERLAND FS posted price sheet for that day.

- 7) Any product delivered, of the contracted type, to the customer during the contract period, in excess of the contracted quantity, will be invoiced to the customer at the current price in effect at the time of delivery.
- 8) This Contract is not transferable
- 9) This contract is subject to Force Majeure
- 10) Premium for Max Price Contracts must be paid in full at the time the contract is written.
