E * Z PAY

By RIVERLAND FS, Inc.

A program designed to eliminate high winter heating bills

WHO DOES THIS PROGRAM APPLY TO ?

All RIVERLAND FS home heating accounts

WHEN DOES THE PROGRAM START ?

The enrollment period is the months of May and June, each year

WHAT ARE THE ADVANTAGES OF JOINING THE E*Z PAY PROGRAM ?

There could be many, but here are four

- 1) Allows you to have a firm price per gallon
- 2) Lets you Budget your heating expense on a monthly basis, year round
- 3) You always receive our cash discount
- 4) You stay on a keep full basis at no additional cost

HOW DOES THE PROGRAM WORK ?

Your RIVERLAND FS Salesman will estimate the amount of heating oil needed for the coming heating season. If possible this amount will be based on your past history. This number will be multiplied by our fixed E * Z Pay price for the coming heating season. This number will then be divided by eleven, which represents the eleven equal payments.

WHAT IF I OVER-PAY OR UNDER-PAY ?

No problem! At the end of the program period, a statement will be mailed indicating your balance. If you have over paid your needs, you have two options:

- 1) We will promptly send you our check to clear the account
- 2) You may apply the over-payment to next season's program, thus reducing the monthly payments

If you have under paid your needs, you need only to pay the statement amount.

HOW, WHEN AND WHERE DO I MAKE THE MONTHLY PAYMENTS ?

After enrolling in the program, you will be given a payment book. Each month you simply send in your payment with the payment stub, by the 25th of the month. You may also pay your Salesman when he is making a delivery or pay at any of our locations.
